

Meeting Report

Meeting Details

- **Meeting Title:** Week 5 Group Meeting
- **Date:** 02/07/2024
- **Time:** 3-4 PM
- **Location:** Google Meets
- **Attendees:** Taj Poulsen, Oliver Britos, Preston Little, Tyler Hilbig

Agenda

1. Announcements:

- Uploading and submitting Meeting Reports within Github
- Group Milestone 3 is in 2 weeks. (Locked until the 10th) Want to get a head start on it!

2. Project Checklist:

- Go over the checklist for everything we need in syllabus and Github.

3. Accountability:

- Every member will report on the status of their work.

4. Objectives for next time:

- Prepare for Milestone 3.
- Have all code and documents prepared for submission before 9 PM Friday

Minutes of the Meeting

Agenda Items

[Summary of the discussion]

- Taj: Created load/store function, tests, and tests excel page. Will be submitting Github URL and creating Weekly Report folder for submission.
- Oliver: Got terminal interface working. Will add features for testing errors in the interface for better UI.

- Preston: Created arithmetic operations and tests. Have been merged. Will be working on design documents.
- Tyler: Refining the I/O operations. Will edit and optimize the README.txt prior to submission.
